

REMARKS

Pursuant to the filing of the above-referenced continuation patent application, Applicants cancel originally filed claims 1 through 20 without prejudice or disclaimer, and submit with this Preliminary Amendment new claims 21 through 39 for examination. The Examiner is invited to contact the Attorney for the Applicants at the telephone number provided below if further explanation of the Applicants' position would help to advance the prosecution of the application.

The specification has been amended to refer to the parent application, serial number 09/974,557, "Class E/F Switching Power Amplifiers," filed October 9, 2001.

No additional fee is believed to be due with this preliminary amendment. If any required fee has been overlooked, the Commissioner of Patents and Trademarks is hereby authorized to charge any fee deficiency or to credit any fee overpayment relating to this matter to Deposit Account No. 01-0657.

Respectfully submitted,

Chris J. Rourke
